Voting Machine Release Instructions

For the acquisition and subsequent return of DC BOE election machines, please complete the **Voting Machine Release Form** and fax or mail to the DC BOE. Please complete the **Ballot Design Form** as soon as the information is available.

Instructions:

1. Determine the **poll sites**. Every precaution must be taken to ensure the security of the voting system and all of its components. Polling places should be in locked buildings or locations that are capable of maintaining secure storage of voting equipment.
2. Hire DC BOE certified, trained machine **poll inspectors**. A list of certified inspectors will be supplied by the DC BOE.
3. Hire DC BOE certified, trained **Voting Machine Technician (VMT)**. A list of certified **VMTs** will be supplied by the DC BOE.
4. Complete the **Voting Machine Release Form** and fax or email it to the DC BOE, attention “*Machine Coordinator*.”
5. Retain print vendor from list of DC BOE approved print vendors. You will be responsible for purchase of the ballots.
6. Retain approved transportation vendor. You will be responsible for cost of transportation.
7. Complete the **Ballot Design Form** and submit. School District must email machine-readable text of candidates, races, propositions, etc. to the DC BOE. We will contact you to approve each stage of the programming as we proceed. When all stages are complete and approved, we will send approved ballot style to the printer.
8. Complete the **Transport Manifest** upon acceptance of machine from the transportation company and upon release of machine back to the transportation company. The machine will be returned with all its packing materials including accessories and keys. Voting machines should remain locked and stored in a secure location when not in use.

Thank you for taking the time to review these instructions. The DC BOE is willing to help with all aspects of this process – please do not hesitate to call for further assistance.

Ballot markers will be provided. These must be used on Election Day and returned with voting machine.
